Inspired by larger models

In 2023, the Merry Fisher 895 is renewed with a contemporary design and new equipment.

The Merry Fisher 855, a revolutionary boat launched in 2012, was the first powerboat of 8 meters on the market to offer two separate cabins. Its successor, the Merry Fisher 895, reinterpreted these attributes and has proven a very big success: over 1,800 have been cruising the world's seas since 2017. The new Merry Fisher 895 Serie2 thus becomes the third generation of 8-metre outboard powerboats with two separate cabins!

A proven design for peace of mind

Comfort and safety while cruising are essential points at the heart of developments from the Jeanneau design office and Centkowski & Denert. Developed by tank testing, the new hull form enables even faster planing and flat cruising, starting at intermediate speeds.

The Merry Fisher 895 Serie2 is offered with twin engines (up to 2 x 250 HP) to offer maximum comfort while cruising and manoeuvrability. It also benefits from the latest technology from our partner Yamaha for exceptional ease of use and a safer cruising experience.

At port, there is nothing like the joystick to simplify docking manoeuvres.

Comfortable modular exterior layouts

Inspired by flagships of the Merry Fisher line, the Merry Fisher 895 Serie2 offers spacious exterior living areas and incomparable functionality.

The large side door facilitates access from a quay or a dock and provides sea access from the cockpit for those who love to go for a swim!

The U-shaped cockpit, equipped with a folding portside bench seat and an optional large refrigerator, is ideal for experiencing moments of escape and relaxation.

Note, also, the new signature of the Merry Fisher line, a forward cockpit to guarantee safety and fluidity of movement about the boat. Children can then be well sheltered when seated, while adults enjoy the integrated sun loungers, or vice versa!

Comfort is omnipresent aboard a Merry Fisher 895 Serie2, with its aft cockpit that transforms into a sundeck, superior quality of outdoor upholstery, and oversized forward sun loungers, in the spirit of large cruisers.

Generous, inviting interior living spaces

On the interior, warmth is the watchword on board. The atmosphere is soft, harmonious, and refined, with grey walnut woodwork, Corian countertops in the galley, and contemporary upholstery.

Wide sliding glass doors, as well as windows in the hull and deck, diffuse a maximum of natural light into vast interior living spaces.

The practical, well-equipped galley features copious storage.

The rotating pilot seat in the saloon and the mini bar in the extension of the galley invite exceptional shared moments.

The two comfortable separate cabins and spacious head compartment are dedicated to the well-being of all on board.

This new weekender is perfectly designed to experience unforgettable family cruises, an incarnation of clever design by Jeanneau. Versatile and easy to handle, the Merry Fisher 895 Serie2 promises fun excursions with full peace of mind.

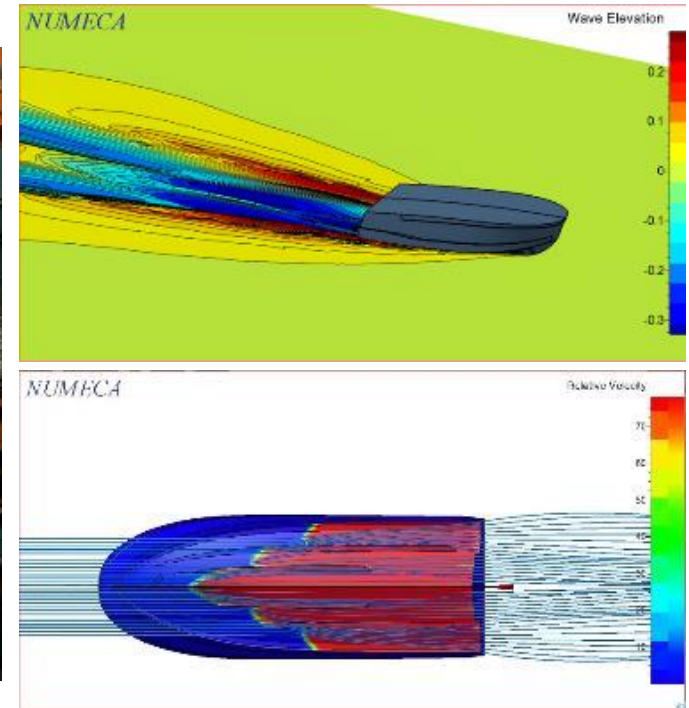

EXTERIOR

MERRY FISHER
895 *SERIE 2*

New Merry Fisher identity :

- **New shape of hull windows**
- Racy design and contemporary lines

**NEW HULL OPTIMIZED FOR OUTBOARDS AND FLAT CRUISING AT INTERMEDIATE SPEEDS,
IN THE SAME SPIRIT AS THE HULL DEVELOPED FOR THE MERRY FISHER 1295 FLY.**

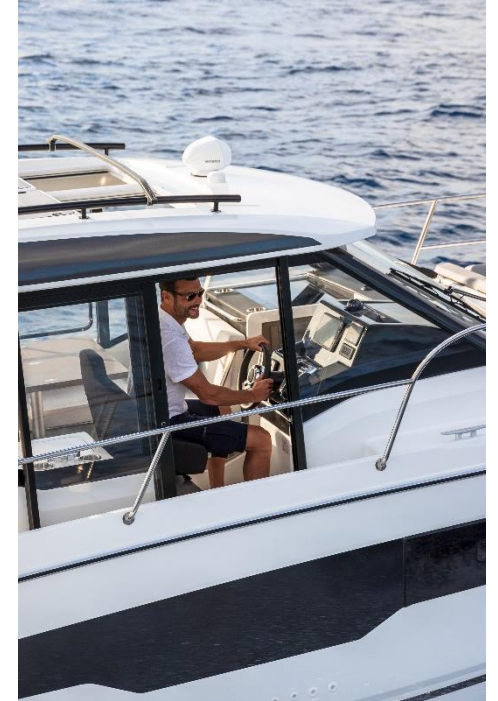

- 1 2 sliding roof hatches
- 2 Large glass windows surfaces : a lot of brightness
- 3 Wide side boarding door (on starboard)
- 4 Large hull window (new identity)
- 5 New optimized hull design

SAFE MANEUVERS & ACCESS ON BOARD

Starboard boarding door : easy access on board and safe swimming access

Pilot door on starboard

EXTERIOR

MERRY FISHER
895 *SERIE 2*
